saw there. But "Buly quite ill—so much so, indeed, that he could not stand.
So it was when the flock to which he belonged was purchased by the Armour Packing Company be was so weak that a frover picked him up and carried him to the pens over by the packing-house, and then he was waced in a box lined with an old cost, where he had a good rest and a quiet sleep.
That was the last he ever saw of the flock of sheep he came with, but he was flock of sheep he came with, but he was flock of sheep he came with, but he was flock of sheep he came with, but he was flock of sheep he came with, but he was flock of sheep he came with, but he was flock of sheep he came with, but he was flock of sheep he came with, but he was flock of sheep he came with, but he was flock of sheep he came with, but he was flock of sheep he came with, but he was flock of sheep he came with, but he was flock of sheep he came with, but he was flock of sheep he came with, but he was flock of sheep he came with, but he was flock of sheep he came with, but he was flock of sheep he came with which the candidate is connected.

All votes must be on the ballot printed below. Cut out the blank, properly fill out and sign it, and send it to The Even-incomplete the couldn't walk and the kind hearted show window of the well-known jewelry firm of C. C. Adams & Co., 474 Fulton street, Brooklyn.

In all cases, where possible, indicate the number of the school, as well as city, with which the candidate is connected.

Cut out the blank, properly fill out and sign it, and send it to The Even-incomplete the couldn't was must be on the ballot printed the properly fill out and sign it and the was the last he was the last he even saw of the number of the school, as well as city.

GUIDES SHEEP TO DEATH.

GLOSE TO SIXTY THOUSAND.

A Trained Animal, Invaluable in Kansas City's Stockyards.

Miss Jarecki Still in the Van of the Lady Teachers.

Lady Teachers.

Two Weeks of the Contest Remain — To Close Feb. 21.

A good many years ago, perhaps seven, no one seems quite certain. "Billy," the most highly prized sheep in Missouri, first rame into prominence, says the Kansas City Journal. Out in the wilds of Colorado, one Antumn atternoon, "Billy was nipping grass along with his mother and many other sheep, when the shep-herd, with his slogs, came to the flock and drove them all a prest distance.

At length like yearse to a railway, and At length like yearse to say a the analyse. At length like yearse to a railway, and At length like yearse t He Had Tried Everything, Had Even Been to Europe to Recover His Health, but Found no Relief. "It was more than twenty-five years ago that I began to be troubled with my head and throat; the slightest exposure would give me a fresh cold. And what then and ever since seemed peculiar about my case, I would have dixry spells while stooping over, and when I would got up suddenly spots would awim before my eyes."
The speaker was Mr. N. Watt, whom the writer found at his home, 443 West 48th st., New York,
"The least bit of exertion would put me all out and many a time I would be too weak to walk Hoet nie, Louise, No. 3, Hobeken.
